YOUTH WEEK GAMING DAY

The annual gaming day youth week event was held on April 14th, over 100 people attended, with some great character costumes.

Huge thanks to sponsors : Kempsey McDonalds, Echo Voice & Data,
Port Macquarie JB Hi-Fi,
NSW Govt Regional NSW's Holiday Break Program

GAME OVER

It's been a very busy time at Rudder St during March and April.

Firstly the girls went to Newcastle to see Delta Goodrem and by all reports they had a great time and hopefully behaved themselves.

Kathleen, Tess, Raelene and Sienna all celebrated birthdays and the whole house went out to dinner at the top pub where they enjoyed a lovely meal and good company with lashings of birthday cake for supper.

Easter came with trips to visit loved ones and family with copious amounts of chocolates where consumed.

Anzac day came with Norm participating in the march and the rest of the house watched on in solemn remembrance.

The whole house and Villa's began preparing for the Kempsey show with cakes and scones being baked and sculptures of icing being created with some colourful and wacky creations.

The Kempsey show exhibits were a great success with first ,second places taken out with 2 highly commended. Hopefully next year can be as successful as this year.

Well Done!

GOODBYE

Farewell Mick

After over 20 years of service to the organisation, our CEO said farewell, staff and clients took time to wish him well for his future endeavours

WOODIES
TIMBER PRODUCTS

Woodies have been busy with Picnic tables for PCYC, car washing and of course keeping up their stock of pegs and stakes, great team work guys

The story goes like this:
Animal Rescue @ Kempsey
 "we have animal food, fodder, medical supplies, shoes, sanitary items that we need to get to Woodburn for those affected by the floods, but we don't have a truck and trailer"

They were talking to the right set of ears, 2 of our beautiful staff took it on board, and "made it happen". With managements blessing, the fuelled up Macleay Options Pantek truck and the trailer towed by Cameron's vehicle headed up to Woodburn to make a very much need, appreciated, and heartfelt delivery of the donated goods.

Here's a couple of pictures of their very early morning start, and some helping hands at work. We love it when the Macleay Valley comes together to help those in need.

Mowhawks took to the recording studio

TO RECORD A SPONSOR MESSAGE WITH TANK FM

Sean and Emily then stepped into the recording studio to participate in the monthly "jigsaw" segment explaining to the community how an ADE works and the amazing products that the teams at Harry Boyes avenue create.

One of the highlights for the vocational section was visiting IGA Sovereign Hills where Momacs nuts, paste, honey and Jerky have a fantastic product display, complimented by Candles made by the threads team.

Gavin and Sally have been featured alongside other community members in the Councils Disability Inclusion Action Plan. Huge thanks to both of them for sharing their stories and dreams of how we as a community can become more inclusive.

Thank you!

Shayne Brady with support coordinator Jodie, receiving a lovely bunch of flowers and a photo book of her time with us at Macleay Options, we wish her well in her retirement
